## United States Senate

SELECT COMMITTEE ON INTELLIGENCE

(PURSUANT TO S. RES. 400, 94TH CONGRESS)

WASHINGTON, D.C. 20510

Executive Registry

82-5055

#82-845

May 17, 1982

Mr. John N. McMahon  
Executive Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear John:

Enclosed for your information are followup questions which members of the staff have raised based on your responses to our Committee nomination forms.

In addition, I have enclosed a detailed set of questions relating to the Wilson/Terpil matter. We are particularly interested in learning when and how this matter may have intersected with your areas of professional responsibility, if at all. As we have already discussed, my purpose for submitting these questions at this time is to give you the opportunity to clarify information already submitted on these points before the hearings begin on May 26, 1982.

Finally, I have taken the liberty of enclosing some more general questions on intelligence issues which you may wish to consider before the nomination hearings later this month. While it is recommended that the Committee be provided answers to the first two sets of questions before the hearings, this third set of questions need not be answered ahead of time. They are simply submitted for your information as to the type of question some Members may ask during the hearing itself.

We look forward to hearing from you or your representative on these matters, and I expect to see you on the 19th for lunch if convenient.

Sincerely,

  
Robert R. Simmons  
Staff Director
